## Special Thanks to Reviewers of Volume 47

The authors and Editorial Board members of *ILAR Journal* and *ILAR e-Journal* thank the many individuals who reviewed manuscripts for this volume. The reviewers' thoughtful comments and recommendations improved the quality of the articles and increased the accuracy, readability, and usefulness of the manuscripts. We are grateful for the reviewers' contributions. In addition to the Editorial Board and other ILAR Council members, the following individuals reviewed manuscripts that appear in Volume 47:

- Steven H. Abman, University of Colorado School of Medicine and The Children's Hospital, Denver, CO  
Robert Adams, The Johns Hopkins Medical Institutions, Baltimore, MD  
Susan E. Appt, Wake Forest University School of Medicine, Winston-Salem, NC  
Anna Bakardjiev, University of California at Berkeley, Berkeley, CA  
Gordon A. Barr, Hunter College, New York, NY  
Beth A. Bauer, University of Missouri, Columbia, MO  
Kathryn Bayne, AAALAC International, Hilo, HI  
Rick Bertram, GlaxoSmithKline, Research Triangle Park, NC  
Joseph Bielitzki, University of Central Florida, Orlando, FL  
Carlos E. Blanco, University Hospital Maastricht, Maastricht, The Netherlands  
Noni L. Bodkin, Northwest Hospital Center, Randallstown, MD  
Greg Boivin, University of Cincinnati, Cincinnati, OH  
Valerie Bolivar, Wadsworth Institute, Albany, NY  
Brad Bolon, GEMpath Inc., Cedar City, UT  
Donna M. Bouley, Stanford University School of Medicine, Stanford, CA  
Cory Brayton, The Johns Hopkins University School of Medicine, Baltimore, MD  
Linda Brent, Chimp Haven, Inc., Keithville, LA  
Peter C. Butler, University of California Los Angeles David Geffen School of Medicine, Los Angeles, CA  
Thomas M. Butler, Fair Oaks Ranch, TX  
John P. Capitanio, University of California at Davis, Davis, CA  
William Cefalu, Louisiana State University System, Baton Rouge, LA  
Charles B. Clifford, Charles River Laboratories, Wilmington, MA  
Lezlee Coghlan, University of Texas M.D. Anderson Cancer Center, Bastrop, TX  
Greg Collier, ChemGenex Pharmaceuticals and Deakin University, Victoria, Australia  
J.G. Collins, Yale University, New Haven, CT  
Carolyn M. Crockett, University of Washington, Seattle, WA  
Larry B. Cummins, Southwest National Primate Research Center, San Antonio, TX  
Rose E Gaines Das, National Institute for Biological Standards and Control, Potters Bar, Herts, United Kingdom  
Melvin B. Dennis, University of Washington, Seattle, WA  
Robert C. Dysko, University of Michigan Medical School, Ann Arbor, MI  
Richard Eberle, Oklahoma State University, Stillwater, OK  
Susan D. Eicher, Purdue University, West Lafayette, IN  
Franco Folli, University of Texas Health Sciences Center, San Antonio, TX  
M. Babette Fontenot, University of Louisiana, New Iberia, LA  
Nelson Garnett, The Johns Hopkins University, Baltimore, MD  
Ross Gerrity, Medical College of Georgia, Augusta, GA  
Bradford S. Goodwin, Jr., University of Texas Health Science Center at Houston, Houston, TX  
Matthias Griese, Children's Hospital, University of Munich, Munich, Germany  
Jean-Louis Guenet, Institut Pasteur, Paris, France  
Jann Hau, University of Copenhagen and Rigshospitalet, Copenhagen, Denmark  
Peter J. Havel, University of California at Davis, Davis, CA  
Hans J. Hedrich, Hannover Medical School, Hannover, Germany  
Craig Hartley, Baylor College of Medicine, Houston, TX  
Betsy C. Herold, Mount Sinai School of Medicine, New York, NY  
Gérard Hilaire, National Centre of Scientific Research, Marseille, France  
Margarethe Hoenig, The University of Georgia, Athens, GA  
Andrew Holmes, National Institutes of Health, Rockville, MD  
Michael V. Johnston, The Johns Hopkins University School of Medicine, Baltimore, MD  
Mary Lou James, St. Louis, MO  
Ulupi Jhala, University of California at San Diego, La Jolla, CA

Kylie Kavanagh, Wake Forest University School of Medicine, Winston-Salem, NC

Bradley B. Keller, Children's Hospital of Pittsburgh, Pittsburgh, PA

Hilton J. Klein, Merck Research Laboratories, West Point, PA

John G. Kral, State University of New York Downstate Medical Center, Brooklyn, NY

Donna F. Kusewitt, Ohio State University, Columbus, OH

Kathy Laber, Medical University of South Carolina, Charleston, SC

Warren Ladiges, University of Washington, Seattle, WA

Margaret S. Landi, GlaxoSmithKline, King of Prussia, PA

Marianne Ølholm Larsen, Novo Nordisk, Maaloev, Denmark

Ed Leiter, The Jackson Laboratory, Bar Harbor, ME

Sigurd Lenzen, Hannover Medical School, Hannover, Germany

Krista M. D. La Perle, Rockefeller University, New York, NY
