
Special Thanks to Reviewers of Volume 48

The authors and Editorial Board members of *ILAR Journal* and *ILAR e-Journal* thank the many individuals who reviewed manuscripts for this volume. The reviewers' thoughtful comments and recommendations improved the quality of the articles and increased the accuracy, readability, and usefulness of the manuscripts. We are grateful for the reviewers' contributions. In addition to the Editorial Board and other ILAR Council members, the following individuals reviewed manuscripts that appear in Volume 48:

- Augusto Abe**, State University of São Paulo, Rio Claro, São Paulo
- Tamatha Barbeau**, Francis Marion University, Florence, SC
- Stab Bisejm**, Davis, CA
- Michelle D. Boone**, Miami University, Oxford, OH
- Christina Bridges Britton**, U.S. Geological Survey, Columbia, MO
- Cynthia Carey**, University of Colorado, Boulder, CO
- Nancy Carpenter**, Utah's Hogle Zoo, Salt Lake City, UT
- Elizabeth Choinski**, University of Mississippi, University, MS
- John Clulow**, University of Newcastle, Callaghan, New South Wales
- Carl Cohen**, University of Michigan, Ann Arbor, MI
- Kimberly Cohen**, Covance, Inc., Cumberland, VA
- Fred Colbourne**, University of Alberta, Edmonton, Alberta
- Dale Corbett**, Memorial University, St. John's, Newfoundland
- Rodger Curren**, Institute of In Vitro Sciences, Gaithersburg, MD
- Maureen Donnelly**, Florida International University, Miami, FL
- Arthur C. Echternacht**, University of Tennessee, Knoxville, TN
- Grigori Enikolopov**, Cold Spring Harbor Laboratory, Cold Spring Harbor, NY
- Shannon Ferrell**, Fort Worth Zoo, Fort Worth, TX
- Karl Field**, Bristol-Myers Squibb, Princeton, NJ
- Richard E. Fish**, North Carolina State University, Raleigh, NC
- Dan Fishman**, PRIM&R, Boston, MA
- Ron Gagliardo**, Atlanta Botanic Gardens, Atlanta, GA
- Richard Gibson**, Zoological Society of London, London, England
- Susan D. Goodwin**, U.S. Army Medical Research Institute for Infectious Diseases, Frederick, MD
- Craig A. Harms**, North Carolina State University, Raleigh, NC
- Joseph R. Haywood**, Michigan State University, East Lansing, MI
- Stan Hillman**, Portland State University, Portland, OR
- John D. Houle**, Drexel University College of Medicine, Philadelphia, PA
- Bruce W. Kennedy**, California State Polytechnic University, Pomona, CA
- George Langan**, University of Chicago, Chicago, IL
- Frederick Lenz**, Johns Hopkins Hospital, Baltimore, MD
- Timothy D. Mandrell**, University of Tennessee, Memphis, TN
- Peter J. Markie**, University of Missouri, Columbia, MO
- Phil Matson**, Perth Zoo, South Perth, Western Australia
- Charles McCarthy**, Richmond, VA
- Gillian D. Muir**, University of Saskatchewan, Saskatoon, Saskatchewan
- Kathleen Murray**, Charles River Laboratories, Wilmington, MA
- Randall J. Nelson**, University of Tennessee, Memphis, TN
- Amy Obringer**, University of Saint Francis, Fort Wayne, IN
- Allan P. Pessier**, Zoological Society of San Diego, San Diego, CA
- Dan Peterson**, Rosalind Franklin Medical School, North Chicago, IL
- Joan Rachlin**, PRIM&R, Boston, MA
- Gregg Recanzone**, University of California, Davis, CA
- Eugene Redmond**, Yale University, New Haven, CT
- Andrew Rowan**, Humane Society of the United States, Washington, DC
- Harry Rozmiarek**, University of Pennsylvania, Philadelphia, PA
- Kenneth J. Salleng**, Vanderbilt University, Nashville, TN
- Rosario Sanchez-Pernaute**, Harvard University Medical School, Boston, MA
- Paul Sandberg**, University of South Florida College of Medicine, Tampa, FL
- Timothy Schallert**, University of Texas, Austin, TX
- Joseph D. Scimeca**, Southern Illinois University, Carbondale, IL
- Jonathan Sleeman**, Department of Game and Inland Fisheries, Richmond, VA
- Yolanda Smith**, Emory University, Atlanta, GA
- Andrew Snider**, Fresno Chaffee Zoo, Fresno, CA

Don Sparling, Southern Illinois University, Carbondale, IL
Doug Stone, University of Cincinnati, Cincinnati, OH
Michael K. Stoskopf, North Carolina State University, Raleigh, NC
Donald Stremme, Adventure Aquarium, Camden, NJ
Esteban Toro, Stanford University, Menlo Park, CA
Michael Tyler, Adelaide University, South Australia
Mark E. Van Dyke, Wake Forest University School of Medicine, Winston-Salem, NC
Angelo Vescovi, University of Bicocca, Milan
Charles J. Vierck, University of Florida, Gainesville, FL
Jan D. Wagner, Wake Forest University School of Medicine, Winston-Salem, NC
